Pécs, Hungary

The post-graduate art program at the University of Pécs provides a three-year post-graduate art training program in the fields of painting, sculpture and music.

The Doctor of Liberal Arts (DLA) training program makes it possible to obtain a university doctorate degree in the field of fine arts and music.

The training of Doctors of Liberal Arts offers the possibility of higher education for those outstandingly talented young artists who became autonomous artists by the end of their undergraduate studies but they intend to pursue further professional research to receive DLA degree.
